Subject: New Oklahoma Rebodied Vehicle Certificate of Title

Advisory	Implementation	Sandra C. Lambert
Date: 10/11/11	Date: 11/1/11	Director

Advisory Number: T11-03

We recently received information from Oklahoma regarding “**Rebodied**” certificates of title. Beginning November 1, 2011, Oklahoma will issue “**Rebodied**” certificates of title to vehicles meeting the following definition (47 OS § 1102):

A vehicle which has been assembled using a new body or new major component which is of the identical type as the original vehicle and is licensed by the manufacturer of the original vehicle and other original, new or reconditioned parts. For purposes of this paragraph, “new body or new major component” means a new body, cab, frame, front end clip or rear end clip, and which is not a salvage, rebuilt, or junked vehicle as defined by paragraph 1, 2 or 5 of subsection A of Section 1105 of this title, and for which the Tax Commission has assigned or will assign a new identifying number.

Oklahoma **Rebodied** Vehicle certificates of title will be a distinctive color (yellow) and display the year, make and model of the originally manufactured vehicle, which has been rebodied. As a condition of titling as a **Rebodied** Vehicle, a new vehicle identification number (VIN) will be assigned by the Oklahoma Tax Commission and must be affixed to the vehicle. The face of the title will reflect “**REBODIED**”, as well as the following notation:

This vehicle has been assembled with new major components licensed by the original manufacturer.

A sample **Rebodied** Vehicle certificate of title without the above notation is attached.

“**Rebodied**” will reflect as a brand on all subsequent Oklahoma titles issued to the vehicle including Salvage, Rebuilt, or Junked title certificates, as will the referenced explanatory notation.

The **Rebodied** designation will be reported to **NMVTIS** as an Oklahoma title brand. The NMVTIS brand of “Replica” will be applied to the Oklahoma Rebodied titles. The brand of “Replica” will be applied automatically to these titles in FRVIS.
